

Making a bequest to Northern Tablelands Wildlife Carers Inc.

Northern Tablelands Wildlife Carers (NTWC) is a not-for-profit charity that is firmly based in the Northern Tablelands community and depends on the support of individuals, businesses and organisations to survive and continue its vital work.

Each year in the Northern Tablelands we accept around 500 injured, native animals from the public.

One of the most valuable ways you can help the NTWC continue to care for and protect our native animals in need is by leaving a bequest in your will.

When making a gift in your will it is important to use the correct legal terminology.

Leaving a bequest to NTWC

Please use the following wording to leave a bequest to NTWC

"I give devise and bequeath to NTWC Incorporated for the general purposes of the NTWC:

- (a) the whole of my Estate of whatsoever kind and wheresoever situate*
- (b)%of my Estate*
- (c) and/or the sum of \$.....free of all duties and taxes payable at my death and I declare that the receipt of the Treasurer or other Proper Officer for the time being of the said national office shall be sufficient discharge for my trustees."*

Note: choices (a), (b) and (c) should be followed by the statement, *"after the payment of all my just debts, funeral and testamentary expenses and all duties, taxes and charges payable on my Estate at my death."*

By the Wills Act, all Wills and Codicils must be in writing, signed by the Testator, and attested by two witnesses in the presence of the Testator and of each other.

The NTWC recommends you seek professional advice or the assistance of a solicitor when preparing your will, and thanks you for considering supporting the NTWC with a bequest.
